PRINCIPAL'S CORNER

Dear Parents of Canyon Crest,

Welcome back to another school year! With several weeks of school under our belts, we are excited about the great things that lie ahead. Teachers have been at the school throughout the summer preparing for your children. We take teaching seriously, and we take pride in children demonstrating growth in academic subjects and socially while under our care.

Also, I would like to announce that I will be giving a "State of the School" presentation regarding Canyon Crest Elementary School and its academic progress on last year's SAGE test. Each principal has been asked by Superintendent Rittel to do so, and I will be presenting on Wednesday October 5 at 4:00 in the Canyon Crest library. My presentation will be part of the regular School-Community Council meeting, which all patrons are invited to each month.

We are proud of our Canyon Crest students and the learning they are doing each day. As I enter classrooms and observe teachers teaching and students learning, I see so many impressive things.

Please take a moment to read our newsletter and learn about upcoming events. We appreciate your involvement and contributions to making our school a great place to be!

Until next time,

Darren Johnson
Principal

Drop Off and Pick Up Rules!

1-Please share drop off and pick up rules with all family and friends that might pick up a student.

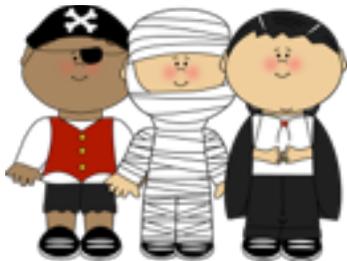

2-In the mornings, Please have your student or students ready to get out of the car as quickly as possible so not to hold up the line. This is a drop off and pick up line ONLY. It is meant to be kept constantly moving not to stop for long periods of time.

3-Please make sure to watch and pull forward when other cars have moved forward.

4-Do not ask students to meet you on the south end of the lawn or to come back to your car in the line. Putting your student in a bad situation of breaking the rules is hard on them and us. We do not want to tell them they need to wait and follow the rule.

5-If you are in the carpool lane you CANNOT get out of your car for ANY reason. If you want to do anything outside of your car you MUST PARK your car in the PARKING LOT and use the CROSSWALK to walk your student in.

6-Your student is NOT allowed to cross the crosswalk by themselves into the parking lot to go to your car. You must come and get your student at the crosswalk and walk them to your car in the parking lot.

Mini T-Bird Cheer Clinic

North Exit Rules

1-Make sure to look both ways before turning RIGHT. Make sure you check to see if the crossing guard is in the crosswalk before turning.

2-Make sure if the crossing guard is out with the STOP sign you CANNOT turn RIGHT. You must wait until she is done crossing students and out of the crosswalk before turning RIGHT.

3-You cannot make a double LEFT hand turn from the EXIT. You can only turn LEFT or RIGHT. If you are in the LEFT hand lane you MUST turn LEFT. If you are in the RIGHT hand lane you MUST turn RIGHT.

4-You are NEVER allowed to park across from the street and J-walk your student across the street to the parking lot. You MUST pull into the parking lot and park to drop off your student or pull into the drop off lane to drop your student off for school or pick up for school.

We really need your help with these rules! Please help your neighbors and friends understand it is for the safety of the school and the students. Thank you so much for your help with this!
